RE: Change in Ownership Water Right No. 11-365, 11-366 and 11-356

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** Water right number 11-365 does not appear to be appurtenant to the property owned by Eight Mile Ranch. The water right is located in the SESW Section 20 Township 10 South Range 42 East and NENW Section 29, Township 10 South Range 42 East. According to our review the applicant did not purchase any property in Section 29. The applicant did purchase a portion in Section 20 however the portion covered by this water right is an exception on this deed. If you believe they did purchase this water right please submit evidence of ownership. Also according to the legal description of the deed received the applicant only purchased a portion of water right 11-356 as well, however according to the taxlot data updated by the county Eight Mile Ranch does own the rest of the ground associated with that water right, and when I look back on old security interests filed the property is covered on the Mortgage, the department just needs a copy of the conveyance document. Please supply a copy of the deed for the additional property.

The department has the deed for:
E1/2SWNE

The department needs the deed for:
NW1/4NE1/4
W1/2SW1/4NE1/4

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
