Dear Mr. Miller:

Thank you for sending the Draft
Transfer Approval No 78356 (Shekinah Ind. Inc.)
on Dec. 15 2015. Please be advised that
I recently sold off 172.80 acres of property
shown as Parcel 'B' on the enclosed
Record of Survey. This sale did not
include any of the future water rites
to be transferred and I would appreciate
the removal of Parcel 'B' from the
Transfers Points of Diversion and
Place of Use. Once this is done
I will be able to ~~provide~~ ^{approve} the information
thereon subject to the Browns approval
who are reviewing it now. Please
call me @ 859-36669 if you have
any questions.

cc: Cliff Brown

Sincerely,
J. Michael Foster
