PROOF DEFICIENCY LETTER

RE: Permit No. 13-7907

Dear Permit Holder(s):

The Department received the proof of beneficial use (proof) form submitted for the above referenced permit. The proof form is not acceptable without the license examination fee. A copy of the form is enclosed for your reference.

This permit authorizes a diversion rate of 0.06 cfs (cubic feet per second) from ground water requiring a license examination fee of \$50.00. The **\$50.00** license examination fee was not submitted with the proof form.

Please submit the required fee at your earliest convenience before the proof due date of **March 01, 2016** to avoid the possibility of your permit lapsing. If you have any questions concerning this matter, please contact me at (208) 287-4945.

Sincerely,

A handwritten signature in blue ink that reads "Darla Block".
