Authority to file:

The water right is currently in the name of the City of Arco. The current place of use is in the name of the City of Arco. The application was signed by Ross Langser Mayor of Arco, who has signature authority.

Validity of the Water Right:

Water right 34-10102 was decreed on December 14, 2001. Aerial photography shows consistent irrigation. Forfeiture does not appear to be an issue.

Injury to Other Water Rights:

No injury to other water rights was identified. The application was not advertised. The corrected place of use remains within the historical place of use. The water master for WD34 was notified of the transfer, and did not oppose the transfer.

No issues identified.

No issues identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this transfer application.
