All the paperwork was in the file along with the acknowledgement letter the ownership had been updated. I'm not sure why the data base didn't reflect that.

I have updated the ownership of water right 36-10565 to Douglas E Grant Jr and Laurel A Grant, with the Mountain Park Rd address. Thanks for your help and sorry for the confusion. If you have any other questions, please contact me

Jean,

Thanks for your response.

I have attached copies of correspondence from December 14, 1989 where I sent in a form requesting the name change.

I have also attached correspondence dated April 23, 1999 from Jim Johnson, Manager Water Right Permits Section stating that the name had been changed.

Please advise.
