RE: Three-Part Split of Water Right No. 21-7046.

Dear Jonie:

Enclosed for processing are three *Notices of Change of Water Right Ownership*, each for a portion of Water Right No. 21-7046. Consistent with past instruction from you, where the water right is being split at the same time, it is only required to submit a \$100.00 filing fee. A check for that amount is enclosed.

We have included recorded deeds from the current owner of the water right, BRG Ltd, who initially conveyed the water right to three entities as tenants-in-common. Those tenants-in-common have since executed deeds to convey their proportionate interest to each individual entity. Part of the recorded deed shows the water right acres to be conveyed to each entity on the attached map on each deed. I can email the shapefiles for each water right portion to you at your request.

If you have any questions or concerns, please let me know.

Best Regards,

Robert L. Harris
