Re: Water Right No. 37-8475
Change of Ownership

Dear Water Right Holder(s):

IDWR has been advised you may be the current owner of the property with the water right referenced above. Enclosed is a copy of the Water Right License & related attachments, previously sent out by the Department. It was brought to our attention that these documents were delivered to an incorrect Post Office Box at the Post Office; therefore we are resending this information in hopes it reaches you.

Before we can modify our records to reflect your ownership of this water right, we need to have the enclosed Notice of Change of Water Right Ownership form completed. Please follow the instructions attached to the form and return to this office with all of the required information.

If you have any questions regarding this letter, please feel free to contact Bill Mills at our office, as he is aware of the recent happenings.

Sincerely,

Denise Maline
Administrative Assistant
