RE: Notice of Security Interest
Water Rights: 32-2095A, 32-7053D, 32-7229 & 32-7231

Dear Sir/Madam:

On January 28, 2015, you filed a Notice of Security Interest (Security Interest) with the Idaho Department of Water Resources (IDWR), seeking to update lein holder records for the water rights listed above. After an initial review, we determined that you needed to provide additional evidence of security interest, sepcifically a copy of a deed of trust or mortgage or other legal evidence of security interest in the water right. On June 29, 2015, we sent a letter requesting the additional information, the information was also requested via email on January 28, 2015 and February 20, 2015. The additional information was to be provided within 30 days.

IDWR has never received a response to the request for additional information or filing fees. Without the requested documents and fees, we cannot verify the security interest on the water right and cannot complete the application. We are therefore returning your original security interest application unprocessed.

Please feel free to re-file your security interest any time in the future when you have collected the requested documentation. Because your filing fee is being refunded, you will need to determine and provide the proper filing fee at the time you re-file the security interest.

If you have any questions, feel free to contact me at (208) 525-7161.

Respectfully submitted,
