RE: Change in Ownership Water Right No. **11-7095 & 11-7096**

Dear **Sir/Madam**:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** Please supply a full chain of title back to the current owner of the water right according to the department's records. According to our file the current owner is Verlyn Parker. According the deed instrument number 220876 you purchased the property from Cassandra Parker. Please supply the deed from Verlyn Parker to Cassandra Parker. You should be able to get a copy of that from the County Recorder's Office.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
