RE: Change in Ownership Water Right No. 29-7130

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** According to the documentation received with your application you only own a portion of water right 29-7130. Please review the map attached showing the place of use of the water right and the property purchased according to your warranty deed. If you believe the water right should not be split please supply additional evidence of ownership. If you believe a split is required please supply and additional filing fee, the filing fee for a split water right is \$100.00 per water right. Therefore an additional \$75.00 would be required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

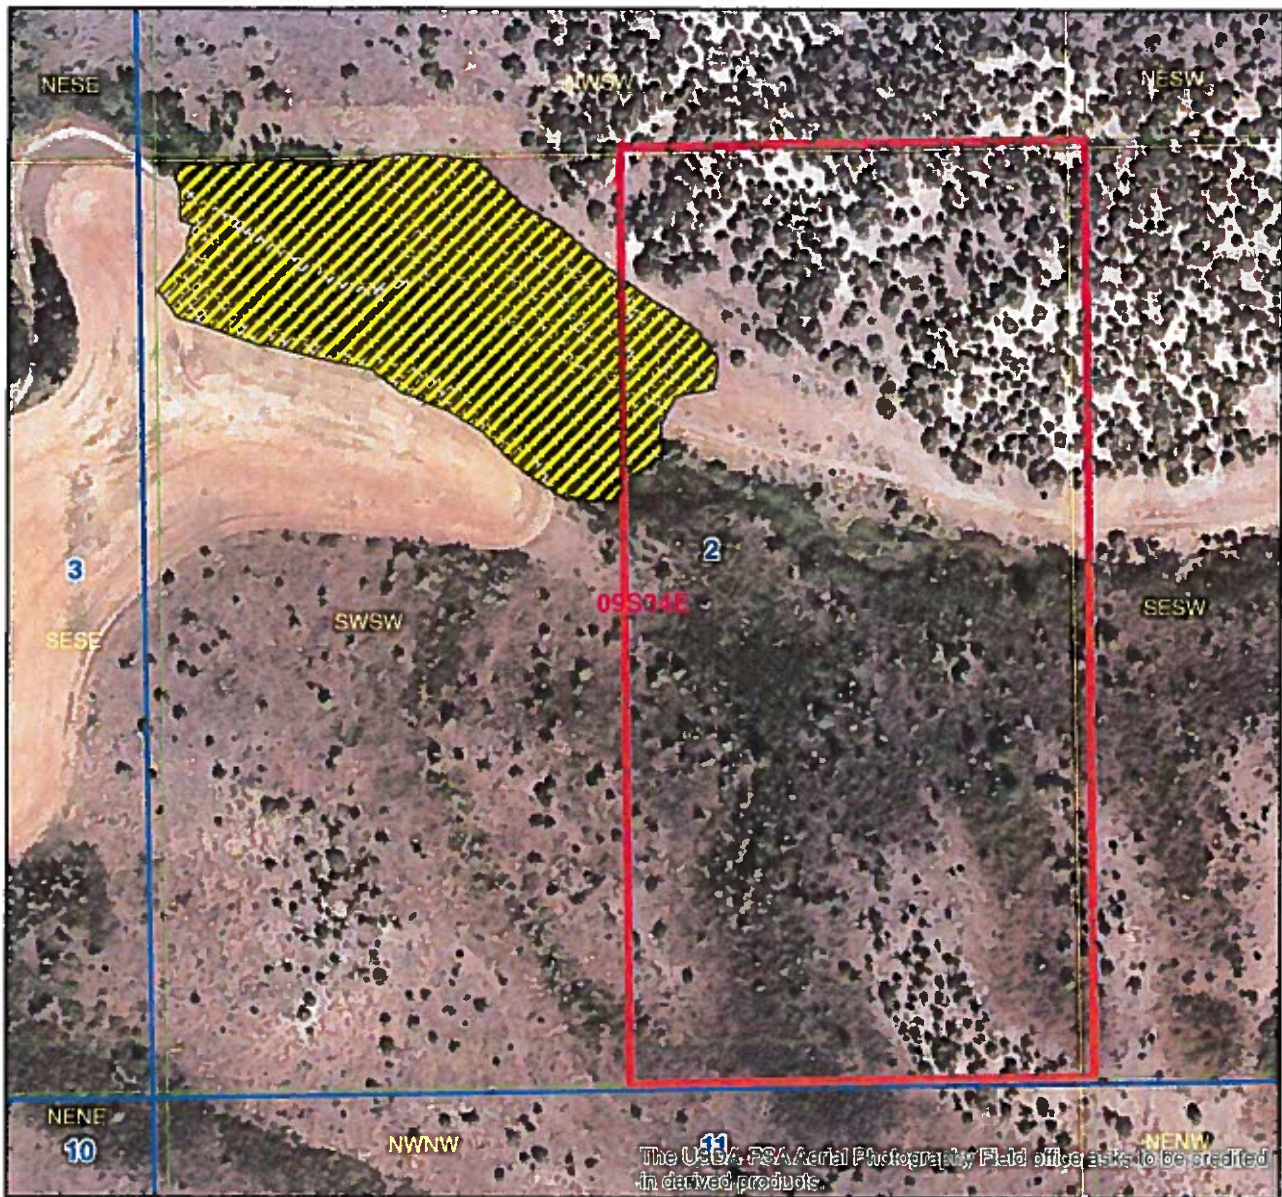

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
