Mr. Price,

I was asked to follow-up with you on your July 7, 2015 inquiry about the apparent error in the basin numbering of SRBA decree 25-10351. You are correct that it was an error (should have been basin 22). The department can renumber the water right. 25-10351 has been renumbered to 22-14197.

Sincerely,
