Sharla,

I have attached the requested calendar for January 2016 for our unavailable dates. We are anxious to get the diversion resolved, but neither Barnes or Bloxham are willing to work out a plan with us. Kirk has been to Craig Barnes home more than once asking him to meet us in the middle on this. When Barnes purchased his ground from Bloxham, he was led to believe that he was also getting **all** the water with his purchase from Bloxham. We hope to work out a rotation that will serve all those who have an interest in this spring.

Please forward our calendar to James Cefalo.

Thank you for all your work,

Debbie Jackson
