RE: Assignment of Permit for Water Right No. 63-33407

Dear Permit Holder:

The department acknowledges receipt of the assignment of permit for the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

One of the conditions of approval of the above referenced water permit was that proof of the extent of your beneficial use must be submitted to this office on or before **February 01, 2016**. I am enclosing a copy of the proof due notice sent to the previous owners of this permit prior to the filing of this assignment of permit to change ownership. Also enclosed is a copy of this permit for your reference.

Now that you are the current owners of this permit, either an acceptable proof statement or an acceptable extension request must be submitted to this office on or before **February 01, 2016**.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

If you have any questions regarding this matter please contact me at (208) 287-4945.

Sincerely,

A handwritten signature in blue ink that reads 'Darla Block'.
