Re: Pending Transfers

Rights 37-511; 37-512; 37-513; 37-1067A; 37-1212 and 37-2321 were jointly owned by Roy E Crawford and The McGrath 1998 Trust LLC. An ownership change was processed to split and evenly divide the rights between the owners merely to facilitate pending transfer applications. The McGrath 1998 Trust portions (37-22988; 37-22989; 37-22990; 37-22991; 37-22992 and 37-22993) will be transferred to new properties, while the Crawford portions (37-511; 37-512; 37-513; 37-1067A; 37-1212 and 37-2321) will also be transferred to rearrange the POU and add additional properties. For the time being, the original POU serves as a PPU for all the water rights.
