PROOF DEFICIENCY LETTER

RE: Permit No. 65-22979

Dear Permit Holder(s):

The Department received the proof of beneficial use (proof) form you submitted for the above referenced permit. Please address the following item:

- The full license examination fee was not paid at the time of filing proof. The Department cannot accept proof without the entire license examination fee.

A \$275.00 license examination fee was submitted with the proof form. This permit authorizes a diversion rate of 150.00 cfs (cubic feet per second) which requires a total license examination fee of \$600.00.

Please submit the remaining \$325.00 of the required fee before the proof due date of **February 1, 2016** to avoid the possibility of your permit lapsing. In addition, please reference the permit number mentioned above and note on your check that it's for Proof of Beneficial Use. If you have any questions concerning this matter, please contact me at (208) 287-4945.

Sincerely,
