RE: Change of Ownership for Water Right Nos. 36-2593, 36-2693, 36-16773, 36-16775,
36-16777, 36-16779, 36-16781, 36-16783, 36-16785 and 36-16787

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right(s). The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Re: Change of Ownership – Jentzsch

Dear Allen:

Enclosed are numerous changes of ownerships involving; Jentsch Kearn Farms, Teton Trees LLC, Joseph & Melynda Kearn, Bryan & Linda Jentzsch, Rodney Jentzsch, Shirley Jentzsch and SSJ Farm LLC. I have tried to highlight or label on the deeds the legal description associated with each change of ownership application. I believe most of these changes are straight forward. If you need further explanation on any of these please don't hesitate to ask.

Water right 36-13145 appears to have a place of use error seen on the online map tool. In the conditions for this water right, the place of use is noted as block 15, 16, 26, & 27 in townsite Acequia. A split of these blocks has occurred and the domestic residence is retained by Shirley Jentzsch and thus this domestic water right.

There are 52 water rights in total none of which will be split. A check for fee of 1,300.00 is included. New W9 forms are included for water rights that have water supply bank acres.

If you have any question or need more information please call the office at (208) 736-8543.

Sincerely,

Amy Runser
