RE: Assignment of Permit for Water Right Permit No. 96-9191

To Whom It May Concern:

The Department of Water Resources has received an Assignment of Permit to change the ownership of the above referenced permit. This permit is currently in the name of Chatham, LLC. Since this water right is still in the permit stage, it is considered to be personal property of the permit holder of record with the Department (Chatham, LLC). It must be someone having the authority to sign on behalf of Chatham, LLC that assigns this permit over to Sandy Beach Estates Waterco, LLC.

On November 05, 2015, the Department returned to you the Assignment of Permit paperwork that was submitted by Cocolalla, LLC. The Department required the assignment form be completed by the Chatham, LLC (permit holder). Enclosed is a copy of the letter we sent returning the Assignment paperwork.

The corrected assignment of permit form and additional documentation was not received within the time frame given. Therefore the Department will issue a refund in the amount of \$25.00 for the fee you submitted on October 26, 2015 (receipt enclosed). You should receive a State of Idaho check for \$25.00 within ten (10) business days under separate cover.

If you have any questions, please feel free to contact me at (208) 287-4945

Sincerely,
