RE: Notice of Change in Water Right Ownership: 69-11402

Dear Applicants,

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. However, the application has not been processed.

I spoke with Timothy on December 29, 2015 regarding the letter I had sent on December 1, 2015. It was determined that the water right listed on the application submitted to the department is not correct and the property purchased by the applicants does not currently have a water right.

Because the Department cannot process this request at this time, we are returning the application and all attachments. A refund has been requested that will be sent to the payer (Timberline Title & Escrow Inc.) under separate cover.

Should you have questions, please call this office at 208-334-2190.

Sincerely,

A handwritten signature in black ink, appearing to read 'Chad Jones', is written over a horizontal line.
