RE: Application for Transfer No. 80592

Dear Mr. Mulkey,

The Department of Water Resources has received your application for transfer of water rights 74-192 and 74-2158. Preliminary review raised a few questions about some of the project details. We contacted Amy Cassel in our Salmon office for assistance with any local knowledge regarding the scope of your project.

After a discussion with Amy, we are putting your transfer on hold for up to thirty days as an opportunity for you to amend the transfer application to properly accomplish your project. The payment you submitted for the transfer will be applied to your amended application and may result in a refund or a payment due depending upon the final application.

Please feel free to contact me at 208-287-4933 if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Steven Visosky'.
