Thanks, Allen. The requests for admission do not count against the limit of 10 interrogatories.

Gents,

Per the request I am modifying the Order authorizing discovery (Attached) It should be sent out today to all parties. I believe they would count against the 10 unless James thinks otherwise.

The order on discovery prevented "requests for admissions" I understand that this rule may be changing. I have some submitted by Charlie and I had planned on a couple myself. If allowed do they count against the 10 interrogatories or are they separate?

If you have other questions let me know. I could not get Charlie as he is gone until first of year.
