Re: Water Right License No. 95-9365

Gentlemen:

Enclosed is a packet for a newly issued water right that was sent to the original owner, Riverfront House COA Inc., and was returned. The Idaho Department of Water Resources was informed that you are now managing the complex for the new owner.

Idaho Code requires any change in water right ownership to be made within 120 days of the change. For your convenience, I have included a Notice of Change in Water Right Ownership form for the owner to complete and return to the Department.

If you have any questions, feel free to contact our office at 208-762-2800.

Thank you.

Sincerely,

Keith E Franklin
Program Manager Northern Region
