Re: Applications for Permits 95-9367 and 95-9368.

Gentlemen:

The Idaho Department of Water Resources (IDWR) received a letter on February 8, 2007, from the Idaho Department of Fish & Game, expressing a concern with your proposed filtration and disinfection system, copy of which is enclosed. IDWR suggests you contact Fish and Game and address their concerns. Also, if you need assistance with your filtration and disinfection system, IDWR suggests you contact Steve Tanner with the Department of Environmental Quality, here in Coeur d' Alene.

If you have any questions, feel free to contact me at this office.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent
