Re: Permit Number 15-7366

Dear Sir or Madam:

North Ridge Farms LLC, permit holder in the above referenced matter, has petitioned the Department to allow it to change the Point of Diversion to the SW1/4 of the SE1/4, §9, Twp. 16 S, Range 36 EBM, Oneida County, Idaho. Currently I am the owner of that parcel of property.

The purpose of this letter is to formally notify the Department that I have given my consent to allow North Ridge Farms LLC to have an irrigation well drilled at that location. I have no objection to your Department changing to point of diversion as North Ridge Farms LLC has requested.

Thank you very much.

Sincerely yours;

Travis Burton
