Water right 77-14362 has been renumbered from 75-10012.
In a review of the elements of the water right, the POD was found to be located in Basin 77.
The POD and POU which were created for and associated with 75-10012 and now also associated with 77-14362.

Re: transfer needed

The partial decree for the parent right 75-10012 may be incorrect. I found that the POU for 75-10012 (now 77-14362) already had a water right associated with it. That water right is licensed right 77-7188. 77-7188 is also for domestic use two homes with a spring as the source. License 77-7188 is issued to Art Fenwick, Betty Jo Fenwick, Timothy J Wirth and Myrna L Wirth. Condition 6 of License 77-7188 states that lots 63 and 111 of Ramshorn Estates are the places-of-use. Available Lemhi County taxlot information lists Timothy F Wirth as the owner of lot 111 Ramshorn Estates and Doug Frugoli as the owner of 63 of Ramshorn Estates.

In contrast, I found also in available Lemhi County taxlot information that Gloria Caulfield owns property nearby. Gloria Caulfield s property is located straddling the NENW and SENW line of sec 27 Twp 18 N, Rge 17E, and it doesn't have a water right. Aerial photography shows a home on the lot and the taxlot information indicates that the home was constructed in 1953. The construction date better coincides with the priority date of the partial decree 75-10012 (now 77-14362.)

I believe that Partial Decree 77-14362 does not replace Licensed Right 77-7188. Instead Partial Decree 77-14362 will need a transfer to be moved to the place-of-use on the Caulfield property.
