APPLICATION FOR EXTENSION OF TIME TO AVOID
FORFEITURE OF A WATER RIGHT

Section 42-222(4), Idaho Code, provides that a water right holder may apply to protect a valid water right from forfeiture. Upon a showing of reasonable cause, the Director may grant one (1) extension of five (5) years in which to resume use.

1. Water Right No. 22-7163 (portion) (one right per application)
☒ Attach a copy of the water right record, available at <http://www.idwr.idaho.gov>, Water Right Transfers, Step 1, or by contacting any Department office.
2. Applicant John R. Zirker Phone (208) 356-6951
3. Are you the current water right holder of record? Yes ☒ No ☐
☐ If no, provide documentation of your authority to sign on behalf of the right holder -- OR -- attach a Notice of Change in Water Right Ownership form along with the required documentation and fee.
4. Mailing address ☒ Same as water right record -- OR -- complete the following information:
Address _____ City _____
State _____ Zip code _____ Email _____
5. Give the last date water was beneficially used September 30, 2013 for some corners, July 30, 2012 for the others.
6. Explain your reasons for non-use of the water right and your reasons for requesting an extension of time.
Attach additional documentation if needed.
The pivot corners identified on attached map of 35.6 acres are not currently being irrigated under 22-7163 by the tenant who is leasing the property. It is unclear at this time when they will be irrigated again, but the applicant would like to protect the water rights on the pivot corners from an argument that they have been partially forfeited.

The information contained in this application is true to the best of my knowledge.
