Good morning Darla – first, thank you for following up on my fax of the Statement of Completion with the Preliminary Order of Reinstatement for this water right. I am forwarding the emails confirming that IDEQ has issued a PWS number for The Estates at Blackrock Bay, satisfying item 5 in the Deficiency of Proof which you sent out this week in regard to Permit 95-9248. If you require further information regarding this permit, please do not hesitate to contact me. Craig Harlen, Gen Mgr Black Rock Utilities.

Subject: New PWS - Estates at Black Rock Bay - ID1280342

Hi everyone,

I have completed the preliminary data entry for a new PWS.

ID1280342
Name: Estates at Black Rock Bay
County: Kootenai
Reg. Agency: CRO
Status: Proposed
Date: December 3, 2015

I have entered the Water System No, System Name, Activity Status, and Status Date into SDWIS. The Regulating Agency needs to use the "Inventory – Add – Basic Water System" procedure document to add basic inventory information into SDWIS (TRIM Record Number 2012AME21). I have also created a box in TRIM for this PWS. Please let me know if you have any questions. Thanks!

Monica
