PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 57-11677

Dear Permit Holder(s):

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

The current owner of record with the Department is still considered to be Richard Laritz. A water right in the permit stage is considered to be personal property of the permit holder of record with the Department. A Notice of Change in Water Right Ownership form can be filed along with the \$25.00 fee, and the notice of ownership change will be considered in connection with issuance of the water right license. Enclosed for your use is a Notice in Change of Water Right Ownership form.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Western Region Office of the Department located in Boise at (208) 334-2190.

Sincerely,

Dana Block
Technical Records Specialist
