

## MEMORANDUM

**Date:** November 3, 2015  
**To:** Transfer 80498  
**From:** Cooper Fritz  
**Re:** Review & Evaluation of Sufficiency of Information

This transfer updates the Department's database to reflect the actual POD for right 22-7436, which has always been a well in the NENENW of Section 36, T06N, R29E.

### Authority to File:

The applicant, the Corporation of the Presiding Bishop of the Church of Jesus Christ of Latter-day Saints, has the authority to file.

The application was signed by Matthew Davidson. A letter accompanying the application, on The Church of Jesus Christ of Latter Day Saints letterhead, authorized Mr. Davidson to sign on behalf of the Church's Real Estate Services Division.

The Church is the owner of the water right according to Department records.  
The Church owns the ground on which the new POD sits.

### Water Right Validity:

The water right is valid.

It was licensed in 1998.

Review of post-licensing photography indicates consistent irrigation.

### Injury to Other Water Rights:

No other water rights will be injured as a result of this transfer.

No physical changes will result from this transfer's approval, the Department's database will simply be updated to reflect the actual POD.

The transfer was advertised and no protests were received.

The Watermaster for Water District 100 was notified and did not oppose approval of the application.

### Enlargement of Use:

No enlargement of use will occur as a result of this transfer.

Rate, irrigated acres, nor volume are authorized to increase.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
