NOTICE TO RESUME WATER USE

Re: Water Right No. 65-3504

Dear Applicant:

On November 22, 2011, the Department approved an Application for Extension of Time to Avoid Forfeiture for the above referenced water right. One condition of the approval was that diversion and use of this water must resume on or before February 1, 2016. Failure to resume use of the water and to notify the department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

I am enclosing a Resumption of Use form for your use to notify the Department of your resumption of use of the water right. Please complete the form and return it to my attention at the above address.

If you have any questions regarding this matter, please contact me at (208) 287-4881.

Sincerely,

ST Sandra Thiel
Sr. Water Right Agent
