Re: Change of Ownership for Water Right/Permit No(s): 36-2122B, 36-2123, 36-2124, 36-2190A, 36-7193, 36-16826 and 36-16924

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and §42-223, Idaho.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

Thank you for your patience. If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

Sincerely,

Jean Hersley

Re: Change of Ownership – Jentzsch

Dear Allen:

Enclosed are numerous changes of ownerships involving; Jentsch Kearn Farms, Teton Trees LLC, Joseph & Melynda Kearn, Bryan & Linda Jentzsch, Rodney Jentzsch, Shirley Jentzsch and SSJ Farm LLC. I have tried to highlight or label on the deeds the legal description associated with each change of ownership application. I believe most of these changes are straight forward. If you need further explanation on any of these please don't hesitate to ask.

Water right 36-13145 appears to have a place of use error seen on the online map tool. In the conditions for this water right, the place of use is noted as block 15, 16, 26, & 27 in townsite Acequia. A split of these blocks has occurred and the domestic residence is retained by Shirley Jentzsch and thus this domestic water right.

There are 52 water rights in total none of which will be split. A check for fee of 1,300.00 is included. New W9 forms are included for water rights that have water supply bank acres.

If you have any question or need more information please call the office at (208) 736-8543.

Sincerely,

Amy Runser
