Re: Matter to Permit to Appropriate Water No. 95-16979

Dear Mr. Franklin:

Thank you for visiting with me on the phone briefly today.

As I indicated to you, I represent Eileen Hawley in litigation recently filed against the Bungen's to quiet title the specific spring and improved well lying on property that has been in the Hawley family for generations.

This lawsuit was recently filed and I can tell you that many of the same issues that will come up in the administrative hearing contemplated by the pending permit application will be litigated in State District Court.

I am wondering if you would consider vacating this matter until such time as the Court has had an opportunity to rule on the merits of Mrs. Hawley's case.

I am enclosing a copy of the Complaint for your file and I will remain available to answer any questions that may come up.

Sincerely,

Michael J. Verbillis
