RE: Change in Water Right Ownership—Water Right No(s): 29-07042, 29-07063 & 29-10265

Dear Water Right/Permit Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of Notice of Change in Water Right Ownership regarding the above referenced water right(s). The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions, www.idwr.idaho.gov.

If you have any questions regarding this matter, please call me at 208-287-4907.

Sincerely,

Jennifer Strange
