RE: Change of Ownership for Water Right Nos. 43-4098A, 43-7318, 43-10382 and 43-10665

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right(s). The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

Since water right ⁴³27-7318 has not yet been licensed, an Assignment of Permit is required to complete the ownership change. Enclosed is an assignment form for your use. We will apply the \$25 filing fee previously submitted towards the Assignment of Permit.

The processing fee for Notices of Changes in Water Right Ownership is \$25 per water right or \$100 for a divided (split) water right. The total fee for your ownership change is \$100. A \$75 refund will be issued since the fee submitted by First American Title Company was \$175. Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Trish Fawcett
Technical Records Specialist
