

MEMORANDUM

Date: October 19, 2015
To: Transfer 80393
From: Blake Jordan
Re: Review & Evaluation of Sufficiency of Information

This transfer proposes to change the point of diversion and change the place of use for water right 21-10375. The legal description for the point of diversion and place of use are in error. The applicants seek to correct the legal description error. The point of diversion and place of use have always been located in the NWNE of 13N, 42E, Section 24. The applicants also seek to update the ownership for right 21-10375.

Authority to File:

The applicants are the current owners of water right per quit claim deed. The applicants are the current owners of the property at the proposed point of diversion and place of use per quit claim deed.

Water Right Validity:

Water right was decreed in 1999. Domestic water right. Aerial photography shows a home on the property. Forfeiture is not an issue.

Injury to Other Water Rights:

The physical location of the point of diversion and place of use are not changing. This transfer seeks to correct a legal description discrepancy. No injury issues identified.

Enlargement of Use:

No issues identified.

Local Public interest:

No issues identified.

Beneficial Use/Conservation of Water Resources:

No issues identified.

Effect on Economy the Local Area:

No issues identified.

Effect on Agricultural Base of the Local Area:

No issues identified.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
