RE: Change in Ownership Water Right No. 15-7195 & 15-7397

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership/Additional Filing Fee (Split Fee):** According to the documentation received with your application Peoa River Valley Ranch LLC only purchased a portion of the place of use of water right 15-7195. Please review the proof report attached if you believe you own the entire place of use specifically the portion highlighted in pink, please submit evidence of ownership. If you believe this water right will require a split please supply the additional required filing fee, the additional filing fee would be \$75.00.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
