RE: OWNERSHIP CHANGE FOR WATER RIGHT 72-7449

Dear Mr. and Mrs. O'Brien:

Thank you for your note notifying the department you are now the current owners of the property to which water right 72-7449 is appurtenant. In order for you to be listed as the current owners on the water right, you need to file the enclosed Notice of Change of Water Right Ownership form. Please review the information on the form making any necessary changes, sign where indicated under item 8, include the \$25 filing fee and a copy of your warranty deed and return everything to this office. Once it is received, the changes will be made to our records, and you will be sent confirmation that the change has been completed.

Please note Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days of the change. Failing to report these changes could result in a \$100 late filing fee. Thank you for your prompt attention to this matter and should you have any questions please feel free to contact me.

Sincerely,
