RE: Water Right Permit No. 74-7274

Dear Mr. Peterson:

Thank you for submitting an application for Amendment of Permit. This amendment changed the place of use for water right 74-7274. We also need to change the point of diversion to match the location as it was developed. I have enclosed your Application for Amendment of a Permit. I cannot make the change to a signed document so I am returning it to you. Please change **1. Point of diversion** to T16N R24E Section 35 SWNW and return the Amendment in the enclosed envelope. No postage is required. Also because you have already submitted the fee for an amendment no further fees are required.

If you have any questions, please call me at (208)287-4881.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Sandra Thiel'.
