RE: Assignment of Permit for Water Right Permit No. 96-9191

To Whom It May Concern:

The Department of Water Resources has received an Assignment of Permit to change the ownership of the above referenced permit. This permit is currently in the name of Chatham, LLC. Since this water right is still in the permit stage, it is considered to be personal property of the permit holder of record with the Department (Chatham, LLC). It must be someone having the authority to sign on behalf of Chatham, LLC that assigns this permit over to Sandy Beach Estates Waterco, LLC.

We are returning the paperwork that you sent as we require the assignment form be completed by the permit holder, not Cocolalla, LLC. Please enclose documentation showing evidence that you have the authority to sign on behalf of the permit holder of record (Chatham, LLC).

Enclosed is a computer generated report showing the current owner of this permit. I have enclosed a new Assignment of Permit form for your convenience. Once the Department is in receipt of the corrected assignment of permit form and additional documentation, the Department will be able to process an Assignment of Permit, and apply the \$25 filing fee you already submitted.

We will hold this matter for (30) days from the date of this letter. If the Department does not receive the proper documentation within this time period, the \$25.00 fee you submitted on October 26, 2015, will be refunded.

If you have any questions, please feel free to contact me at (208) 287-4945

Sincerely,

A handwritten signature in black ink that reads "Darla Block".
