RE: Water Right 61-12274

Dear Mr. Jeffrey:

The Department acknowledges receipt of your letter of 10-31-2015 with photographs of the irrigated land associated with Right 61-12274. These documents will be added to the water right file and become part of the permanent water right record.

There is no condition on your license for annual reporting, but you may supplement the file with information as you choose. A quick check of our preliminary 2015 aerial photos supports irrigation within the place of use described by this license.

If you have any questions regarding this matter, please contact me at (208)287-4951 or by email at pam.skaggs@idwr.idaho.gov.

Sincerely,

Pamela S. Skaggs
Water Rights Supervisor
