Dear Mr Visosky,

I am returning the map with the Point of Diversion indicated on it. If you need any clarity please give me a call. I hope the note helps with the boundry lines.

Water right 95-9879 is for domestic water for my Property. the Point of Diversion is contained within my Property boundaries. That point, on an unnamed stream, is north of the Point of Diversion on 95-13148. The unnamed stream is a tributary to Kelso Lake.
