Mr Franklin,

This is a followup to the voice mail I left you this morning.

Andrew Walker and I (Dale Widel) sent to your office a notarized statement agreeing to the amendments that we discussed at our meeting. This was drawn up and notarized by Melissa Dooley on Aug 26, 2015 and mailed to your office .

I personally gave Dale Van Stone a copy of it to share with William Baxter.

It took your office several years to get back to us and set up the meeting which we had on Aug 26 ,2015 so my guess is that our response is lost some place in the "STATE OF IDAHO DEPARTMENT OF WATER RESOURCES" office. I will send you a copy of my copy of what Andrew and I sent you in August.

Thank you very much for your help.
