Re: Protested Application For Permit

Dear Mr. Walker:

On July 25, 2008 you filed an application for a new water right. The application was protested by several members of the community. In order to bring resolution to your application a protest conference must be held. Since a considerable amount of time has passed and prior to scheduling a conference, the department needs to know if you are still interested in pursuing a water right. Please let me know within the next 30 days.

I can be reached at 208-762-2800 or by e-mail keith.franklin@idwr.idaho.gov.

Thank you.

Sincerely,

Keith E Franklin
Program Manager Northern Region
