RE: WSB Phone call about expiring lease and rental payments

I received a call from Richard Winberg today about the expiration of these leased water rights. He wanted to know if Lance Funk was continuing to Rent these rights. I looked up the files and found that the rentals of these rights was withdrawn by letter from Greg Sullivan of Brockway Engineering on March 25, 2015. Mr. Winberg asked about the payment for the rentals of these water rights.

Mr. Winberg also asked about the payments made for these rentals. Upon reviewing the documents with WSB Rental and Lease documents, I found that the Funks and Winbergs had a private agreement for this rental. (see attached) I contacted Mr. Winberg and informed him that we had received a copy of this agreement between the Winbergs and Mr. Funk.
