Hi, Nona,

This is the first legal notice I've had for you for some time.

Please publish the enclosed legal notice on the dates indicated, November 4 and 11, 2015, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact me immediately.

This should be very close to press ready – for 2-column, 8pt. I don't know what font you are using or I would try to use that also. I'm not exactly sure what your 2 column width is so I've used the 3.25 as is common with so many. (If you have different formatting and font you'd like me to use, please let me know and I'll try to match it in all future requests. ☺)

Please note the areas under **USE** containing dates and water amounts that are offset and lined up. Our legal should appear in this format.

Please also send a proof/preview copy for my review before this actually goes to press.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 11/23/2015. Your cooperation is appreciated.

If you have any questions, please contact me as early as possible.

Thanks for all you do to help our legals look so good. It's always a pleasure to work with you.

May your day be filled with wonder and beauty.
