CONDITIONS OF APPROVAL

1. Proof of application of water to beneficial use shall be submitted on or before **November 01, 2020**.
2. Subject to all prior water rights.
3. This right is for the use of trust water, and it is subject to review 5 years after its initial approval (October 26, 2015) to re-evaluate the availability of trust water for the authorized use and to re-evaluate the public interest criteria for reallocating trust water.
4. This right, when considered with all other rights common to the same grazing allotment, is limited to the quantity of water beneficially used by the number of stock within the allotment.
5. This right authorizes the watering of livestock directly from the stream without a diversion.
