Re: Water Right Permit No. 67-15040
Proof or Extension Request form Needs to be Filed by the November 1, 2015 Proof Due Date

Dear Permit holder:

The department acknowledges receipt of your email dated October 18, 2015 along with attachments of your Drilling Permit and Well Drilling Reports.

On August 31, 2015, the Department sent you a notice (Statement of Completion Due) informing you that proof of the extent of your beneficial use must be submitted on or before **November 1, 2015**. The Department did not receive a submittal of one of the forms that was sent to you for filing. I have attached 2 forms along with instructions. Please submit one form or the other, but not both. The following explains how you would know which form you need to file:

Please complete and return the enclosed Statement of Completion for Submitting Proof of Beneficial Use (proof) if you have completed the water project authorized by your permit. The proof statement must be accompanied by either the appropriate license examination fee or a field examination report prepared by a certified water right examiner.

If you have not fully completed your project, and you or a previous owner of this permit have not received a prior extension of time, you may request an extension of time if the delay is for reasonable cause as provided in Section 42-204, Idaho Code. If you have been delayed by a government agency or by litigation that brings title to the water in question, an extension of time may be granted if appropriate documentation is provided at the time of filing. An extension request must be accompanied by a \$50.00 filing fee and signed by the appropriate authorized permit holder(s) or authorized representative with a power of attorney.

Either an acceptable proof or an acceptable extension request must be received by this department on or before the above proof due date. If neither is received, the department will send you a lapse notice and the permit will no longer be of any force or effect.

If you have any questions, you can contact me at (208) 287-4945
