Re: Pre-Hearing Conference

Albion 12 Investment Application for transfer No. 79943

Issue #4

- A. Applicant wants to transfer right to water that never existed in two dry wells.
- B. Applicant wants to drill three wells in the close proximity to three water sources that supply decreed water to my property, spring & seeps; No Name stream, Howell Creek and Spring Creek.
- C. Applicant is also piping water from nearer its source, drying the channels that would normally percolate into the aquafer and support spring flows.
- D. Applicant at this juncture has been unwilling to allow water to reach my property including stock water.
