Applications for Permit No's: 63-34079 & 63-34080

Dear Applicant(s):

The Department of Water Resources has received your water right applications. Please refer to the number referenced above in all future correspondence regarding these applications.

Legal notices of the applications have been prepared and are scheduled for publication in the PRESS TRIBUNE on 10/15/2015 and 10/22/2015. Protests to either application may be submitted for a period ending ten (10) days after the second publication.

If either application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If either application is not protested, the Department will process your application and notify you of any action taken on either application. If either of your applications is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding these applications.

Sincerely,

Good Afternoon Mr. and Mrs. Emmert,

Per our conversation today by phone please amend items #3 and #8 on the attached application. The proposal map submitted identifies the proposed well and place of use being in located in section 1 not section 2. Please amend your application to show the correct section as 1, initial, and date next to the changes made.

I will also make a note to your file that you have identified the Water Bearing Zone to be from 90 to 120 feet deep.

Thank you and please let me know if you have any questions.

Sincerely,

Rachel Sommer | Water Resource Agent
