Application for Permit No. 63-34126

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the IDAHO STATESMAN on 10/15/2015 and 10/22/2015. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Good Morning Phil.

Can you leave the City's application at the front desk? I need to change the pou to a 24 acre-ppu based on the updated parcel info. The priority will not need to advance since we will not increase cfs or acres; 22 acres irrigation within a 24-acre ppu will be the end result. I have a new map too.

Thanks Phil.

Subject: Property Ownership Issue

Hi Lori, I am reviewing the application for permit submitted by the City of Meridian. I have concerns over the ownership of the property outlined as the place of use in the application. Our tax lot data indicates that the portion of the property located at 03N1E sec 33 NENW is owned by a Martin Hill. Further, the portion of the property located at 03N01E sec 33 SENW is owned by Brighton Investments LLC. Brighton has also submitted an application for permit to irrigate the same property. This application is being handled by Roxanne Brown in your office (I have cc'd her). Perhaps the two of you can clarify this issue for me. Thanks for your help in this matter.
