Hi, Holly,

This is the legal we were just discussing, This will need to be billed separate from the one submitted in different format also to publish October 1 and 8, 2015. (*This week I'm working for two different departments within the Idaho Department of Water Resources.* ☺.)

Please publish the enclosed legal notice on the dates indicated, October 1 and 8, 2015, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact me immediately.

This should be very close to press ready for 2-column, Century Old Style font, 8 pt font size.

Please note the areas under **USE** containing dates and water amounts that are offset and lined up. Our legal should appear in this format.

Please also send a proof/preview copy for my review before this actually goes to press.

If you have any questions please contact me as early as possible.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 10/19/2015. Your cooperation is always greatly appreciated.

Thanks so much for all your help in making our legals look so professional.
